"I have regained my confidence because of my treatment and intend to resume my sport activities."

Amanda, Houston, TX

"To my amazement I shut off a medium strong stream. I could not do that before!"

Karen, Boston, MA

WHO IS THE RIGHT **CANDIDATE** FOR BTL EMSELLA?

BTL EMSELLA is a great option for women of any age who desire solution for urinary incontinence and improvement in their quality of life.

WHAT DOES THE **PROCEDURE** FEEL LIKE? IS IT PAINFUL?

You will experience tingling and pelvic floor muscles' contractions during the procedure. You may resume daily activities immediately after the treatment.

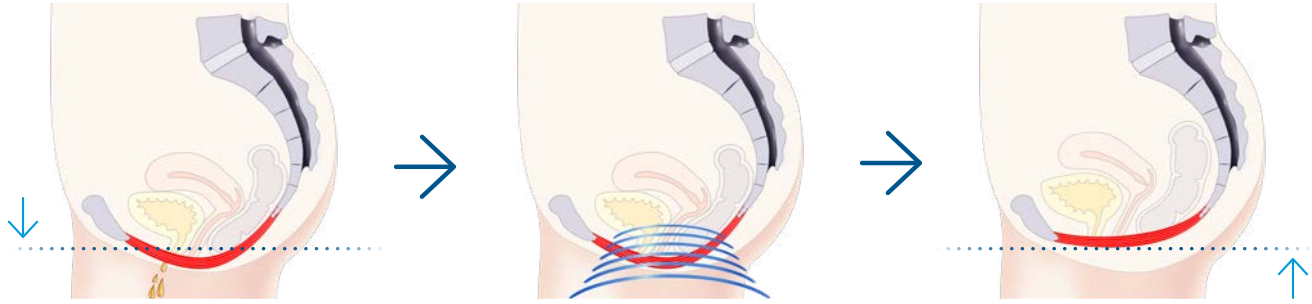
HOW LONG IS THE **TREATMENT**? HOW MANY SESSIONS DO I NEED?

Your provider will tailor a treatment plan for you. A typical treatment takes about 30 minutes and you will need about 6 sessions, scheduled twice a week.*

HOW FAST WILL I SEE **RESULTS**?

You may observe improvement after a single session. The results will typically continue to improve over the next few weeks.

BODY AGING, CHILDBIRTH, AND MENOPAUSE CAN LEAD TO **INCONTINENCE**.



BEFORE
Pelvic floor muscles insufficiently support pelvic organs and affect bladder control.

TREATMENT
BTL EMSELLA™ effectively stimulates pelvic floor muscles.

AFTER
Stimulation leads to regained control over pelvic floor muscles and bladder.
